Internet Trading in Child Pornography

Final Bill SB40 Final Brief CCR Brief Final Summary Sur

Final Summary Summary Session Law Chapter

Creates the crimes of Internet trading in child pornography (SL5 person felony). The crime is defined as an act of sexual exploitation of a child [KSA 21-5510(a)(2) SL5p] when a person 18 years of age or older knowingly causes or permits the performance to be viewed by use of any electronic device connected to the Internet by any person other than the offender or a person depicted in the performance.

Also creates the crime of aggravated internet trading in child pornography (SL3 person felony if the child is age 14-17 or an off-grid felony if the child is under age 14). Aggravated Internet trading in child pornography is an act of sexual exploitation of a child [KSA 21-5510(a)(1) or (4) SL3p] when the offender 1) employs, uses, persuades, induces, entices or coerces a child under 18 years of age, or a person whom the offender believes to be a child under 18 years of age, to engage in sexually explicit conduct with the intent to promote any performance; or 2) a parent, guardian, or other person having custody or control of a child under 18 years of age, knowingly permits such child to engage in, or assist another to engage in, sexually explicit conduct with the intent to promote any performance or with intent to arouse or satisfy the sexual desires or appeal to the prurient interest of the offender or any other person. If the child is under 14 years of age, the severity level reductions for attempt, conspiracy, and criminal solicitation do not apply to agg. Internet trading in child pornography.

Jurisdiction for either crime includes a place where the visual depiction or performance may be viewed by any person other than the offender using any electronic device connected to the Internet and is viewed by a law enforcement officer using an electronic device connected to the Internet while engaged in such officer's official duties.

Internet Trading in Child Pornography or Aggravated Trading in Child Pornography does not apply if the acts violate the sexting crimes passed last year of unlawful possession of a visual depiction of a child (KSA 21-5610) or unlawful transmission of a visual depiction of a child apply (KSA 21-5611).

Internet Trading in Child Pornography or Aggravated Trading in Child Pornography are both added to 1) The definitions of "sex offense" in the capital murder statute (KSA 21-5401); 2) the definition of "sexually violent crime" in the aggravated habitual sex offender statute (KSA 21-6626) and in the parole and postrelease supervision statute (KSA 22-3717); and 3) the statute prohibiting expungement of the crimes (KSA 38-2312). When the child is less than 14 years of age, the crime of aggravated Internet trading in child pornography is added as a crime where the sentence may be life with a mandatory minimum term of imprisonment of not less than 25 years (KSA 21-6627); and may not be directly appealed to the Kansas Supreme Court (22-3601).

KSA 21-5502 is amended to provide evidence of a witness's previous sexual conduct may not be presented in prosecutions of Internet Trading in Child Pornography or Aggravated Trading in Child Pornography.
