Loews Kansas City Hotel
Downtown Kansas City, MO

KANSAS STATE
UNIVERSITY.

Join us in Kansas City

November 2023

The 2023 Summit will bring together federal agencies, industry, enforcement, engineers, university researchers, insurance companies and nonprofits who have an interest in reducing the number and severity of commercial motor vehicle crashes with the goal of knowledge dissemination and networking.

Expected Symposium topics:

- Safety Inspections and Regulation Programs
- Autonomous and Connected CMV Technology
- CMV Workforce Development
- Large, Medium and Small Carrier Opportunities
- Current Trends and Research in CMV
- FMCSA Grant Application Information

U.S. Department of Transportation
Federal Motor Carrier Safety Administration
