(i) Notwithstanding the provisions of K.S.A. 40-3402, and amendments thereto, if the board of governors determines due to the number of claims filed against a health care provider or the outcome of those claims that an individual health care provider presents a material risk of significant future liability to the fund, the board of governors is authorized by a vote of a majority of the members thereof, after notice and an opportunity for hearing in accordance with the provisions of the Kansas administrative procedure act, to terminate the liability of the fund for all claims against the health care provider for damages for death or personal injury arising out of the rendering of or the failure to render professional services after the date of termination. Such election shall be made at the time the health care provider renews the basic coverage in effect on July 1, 1989, or, if basic coverage is not in effect, such election shall be made at the time such coverage is acquired pursuant to K.S.A. 40-3402, and amendments thereto. Notice of the election shall be provided by the insurer providing the basic coverage in the manner and form prescribed by the board of governors and shall continue to be effective from year to year unless modified by a subsequent election made prior to the anniversary date of the policy. The health care provider may at any subsequent election reduce the dollar amount of the coverage for the next and subsequent fiscal years, but may not increase the same, unless specifically authorized by the board of governors. Any election of fund coverage limits, whenever made, shall be with respect to judgments or settlements relating to injury or death arising out of the rendering of or failure to render professional services on or after the effective date of such election of fund coverage limits. Such election shall be made for persons engaged in residency training and persons engaged in other postgraduate training programs approved by the state board of healing arts at medical care facilities or mental health centers in this state by the agency or institution paying the surcharge levied under K.S.A. 40-3404, and amendments thereto, for such persons. The election of fund coverage limits for a nonprofit corporation organized to administer the graduate medical education programs of community hospitals or medical care facilities affiliated with the university of Kansas school of medicine shall be deemed to be effective at the highest option. Such options shall be as follows:

(1) *OPTION 1.* The fund shall not be liable to pay in excess of \$100,000 pursuant to any one judgment or settlement for any party against such health care provider, subject to an aggregate limitation for all judgments or settlements arising from all claims made in the fiscal year in an amount of \$300,000 for such provider.

(2) *OPTION 2.* The fund shall not be liable to pay in excess of \$300,000 pursuant to any one judgment or settlement for any party against such health care provider, subject to an aggregate limitation for all judgments or settlements arising from all claims made in the fiscal year in an amount of \$900,000 for such provider.

(3) *OPTION 3.* The fund shall not be liable to pay in excess of \$800,000 pursuant to any one judgment or settlement for any party against such health care provider, subject to an aggregate limitation for all judgments or settlements arising from all claims made in the fiscal year in an amount of \$2,400,000 for such health care provider.

(m) The fund shall not be liable for any amounts due from a judgment or settlement against resident or nonresident inactive health care providers who first qualify as an inactive health care provider on or after July 1, 1989, unless such health care provider has been in compliance with K.S.A. 40-3402, and amendments thereto, for a period of not less than five years. If a health care provider has not been in compliance for five years, such health care provider may make application and payment for the coverage for the period while they are nonresident health care providers, nonresident self-insurers or resident or nonresident inactive health care providers to the fund. Such payment shall be made within 30 days after the health care provider ceases being an active health care provider and shall be made in an amount determined by the board of governors to be sufficient to fund anticipated claims based upon reasonably prudent actuarial principles. The provisions of this subsection shall not be applicable to any health care provider which becomes inactive through death or retirement, or through disability or circumstances beyond such health care

provider's control, if such health care provider notifies the board of governors and receives approval for an exemption from the provisions of this subsection. Any period spent in a postgraduate program of residency training approved by the state board of healing arts shall not be included in computation of time spent in compliance with the provisions of K.S.A. 40-3402, and amendments thereto. The provisions of this subsection shall expire on July 1, 2014.

(n) In the event of a claim against a health care provider for personal injury or death arising out of the rendering of or the failure to render professional services by such health care provider, the liability of the fund shall be limited to the amount of coverage selected by the health care provider at the time of the incident giving rise to the claim.

(o) Notwithstanding anything in article 34 of chapter 40 of the Kansas Statutes Annotated, and amendments thereto, to the contrary, the fund shall in no event be liable for any claims against any health care provider based upon or relating to the health care provider's sexual acts or activity, but in such cases the fund may pay reasonable and necessary expenses for attorney fees incurred in defending the fund against such claim. The fund may recover all or a portion of such expenses for attorney fees if an adverse judgment is returned against the health care provider for damages resulting from the health care provider's sexual acts or activity.

(p) Notwithstanding any provision in article 34 of chapter 40 of the Kansas Statutes Annotated, and amendments thereto, to the contrary, the fund shall in no event be liable for any claims against any health care provider based upon or relating to the health care provider recommending a medical hemp preparation pursuant to sections 1 through 12, and amendments thereto, but in such cases the fund may pay reasonable and necessary expenses for attorney fees incurred in defending the fund against such claim. The fund may recover all or a portion of such expenses for attorney fees if an adverse judgment is returned against the health care provider for damages resulting from the health care provider recommending a medical hemp preparation pursuant to sections 1 through 12, and amendments thereto.
