Animals: Cruelly Treated, Disposition

Final Bill [SB112](#)

Final Brief [CCR Brief](#)

Final Summary [Summary](#)

References to "incorporated humane society" in provisions allowing an animal to be taken into custody and cared for are removed and replaced with "animal shelter." Existing law regarding cruelly treated animals, including dogs used in dog fighting, require the board of county commissioners to establish procedures to allow an animal shelter to petition the district court to place the animal for adoption or euthanize the animal. These are amended to allow the law enforcement agency, district attorney's office, county prosecutor, veterinarian, or animal shelter to petition the district court in the county in which the animal was taken into custody to transfer ownership of the animal. A provision also adds law enforcement agencies and veterinarians to the list of entities entitled to payment for expenses incurred for the care, treatment, and boarding of the dog. Current law requiring the county commission to review the cost of care and treatment being charged by the animal shelter maintaining the animal is removed.

Previous law is repealed that required the court to find an animal would be subjected to cruelty in the future before ruling an animal is not to be returned to or allowed to remain with a person adjudicated guilty of animal cruelty.

CPOST: Conviction Definition

Final Bill [HB2054](#)

Final Brief [CCR Brief](#)

The definition of "conviction," as used in the section of the Kansas Law Enforcement Training Act is amended to include any "deferred judgment agreement," along with the existing "diversion" provision for a felony crime, misdemeanor crime of domestic violence, or other misdemeanor offense CPOST determines to reflect on the honesty, trustworthiness, integrity, or competence of the applicant or officer as defined by CPOST rules and regulations. A deferred judgement agreement is used in some states and is similar to and serves the same purpose as diversion. The difference is diversion is preconviction, a deferred judgement agreement requires a guilty plea with a court and the sentence is set aside during a specified period of time when conditions must be met.

Criminal Law: Commercial Exploitation of a Child

Final Bill [SB40](#)

Final Brief [CCR Brief](#)

Final Summary [Summary](#)

The crime of commercial sexual exploitation of a child (KSA 21-6422) is amended by combining subsections (a)(1)(A) and (B) into one subsection. The penalty is increased from a SL5 to a SL4 person felony. The combined description of the crime is "Hiring a person younger than 18 years of age by giving, or offering or agreeing to give, anything of value to any person, to engage in a manual or other bodily contact stimulation of the genitals of any person with the intent to arouse or gratify the sexual desires of the offender or another, sexual intercourse, sodomy or any unlawful sexual act."

Transporting, procuring transportation, or paying for transportation of a child for purposes of selling sexual relations is stricken from this statute. Transporting is covered in aggravated human trafficking KSA 21-5426 subsections (a)(1) or (a)(4) and procuring or paying for transportation is no longer covered in statute that I can find. Final Brief [CCR Brief](#)

Final Summary [Summary](#)

The crime of aggravated human trafficking is amended in subsection (b)(4) defining one form of the crime as "recruiting, harboring, transporting, providing or obtaining, by any means, a *child* knowing the *child* will be used to engage in forced labor, involuntary servitude, or sexual gratification of the defendant or another *involving the exchange of anything of value.*"

Subsection (b)(5) is added creating a new crime under aggravated human trafficking: "*Hiring a child by giving, or offering anything of value to any person to engage in 1) bodily contact stimulation of the genitals of any person with the intent to arouse or gratify the sexual desires of another, 2) sexual intercourse, 3) sodomy, or 4) any unlawful sexual act when the offender recklessly disregards the age of the child.*"

An affirmative defense is created for violations of subsection (b)(4) or (5) for a defendant who 1) at the time of the violation was under 18 and 2) committed the violation because at the time of the violation the defendant was subjected to human trafficking or aggravated human trafficking. It is not a defense that a victim consented or willingly participated in the forced labor, involuntary servitude, or sexual gratification of the defendant or another, or that the offender had no knowledge of the age of the victim.

It is clarified that a person who violates any of the provisions of the human trafficking statute can also be prosecuted for commercial sexual exploitation of a child or any form of homicide.

A new mandatory fine is also created for those convicted of human trafficking of between \$2,500 and \$5,000, and those convicted of aggravated human trafficking a minimum of \$5,000. A provision is also added to allow a court to order anyone convicted to enter into and complete a suitable educational or treatment program regarding commercial sexual exploitation of a child.

The crime of aggravated human trafficking if committed in whole or in part for the purpose of the sexual gratification of another is added to the definition of "sex offense" in the capital murder statute.

Juveniles: Absconding

Final Bill [SB42](#)

Final Brief [CCR Brief](#)

Absconding from supervision is an event allowing a supervising officer to request a warrant, and is not considered a technical violation of probation. A court may issue a warrant commanding the juvenile be taken into custody if there is probable cause to believe the juvenile has absconded from supervision and after reasonable efforts to locate a juvenile who absconded are unsuccessful. Absconding from supervision is added to the list of findings enabling a court to extend or modify the terms of probation, placement, or to enter another sentence. Absconding from supervision is an event allowing the supervising officer to file a report with the court describing the alleged violation and the juvenile's history of violations. Continuing law allows a court, following notice and hearing, to find a violation occurred and modify or impose additional conditions of release. Probation length limits and overall case length limits are tolled during any time that a juvenile has absconded from supervision while on probation.

KPERS: Working After Retirement

Final Bill [SB21](#)

Final Brief [CCR Brief](#)

Final Summary [Summary](#)

Working after retirement restrictions generally do not apply when retiring from KP&F and returning to work in a local/state/school KPERS position, or visa versa. However, the requirements for no pre-arrangement apply across all plans, including KP&F. The waiting period amendments apply to regular KPERS but not to KP&F. For KP&F retirees returning to work, the waiting period remains at 30-days. The earnings cap remains in place for KP&F retirees but only applies if the retiree returns to work for the same employer (agency) they retired from.

In a nut shell, after 1/1/18 new regular KPERS retirees under age 62 at time of retirement will have 180-day waiting period before returning to a covered position.* If they are 62 or older at the time of retirement the waiting period is 60-days to return to a covered position*, as in current law.

Effective 1/1/18, state, school, or local KPERS positions are not subject to an earnings limitation. Employers of a person in a covered position* must pay the statutory contribution rate on the first \$25,000 of compensation and a rate of 30% for any of compensation greater than \$25,000 for retirees employed in covered positions.* The employer does not make contributions for non-covered positions. This provision applies to all school, local and state KPERS positions regardless of whether they employee retired on, after or before 1/1/18.

*Covered positions are those that are non-school and not seasonal or temporary and whose employment requires at least 1,000 hours of work per year.

Effective July 1, 2017, there are also new rules excluding retirees who are independent contractors or are employed by third parties from the working-after-retirement provisions if certain conditions are met.

Mental Health: Crisis Intervention Act

Creates the local option to create a local "crisis intervention center" licensed by KDADS that is open 24 hours a day, 365 days a year, equipped to serve voluntary and involuntary persons in mental health crisis due to mental illness, substance abuse, or a co-occurring condition. These crisis intervention centers must serve a designated "Crisis intervention center service area" which is the counties to which the crisis intervention center has agreed to provide service. Persons treated at these centers on an involuntary basis may be held for up to 72 hours. If they remain a risk to themselves or others the crisis intervention center must seek court commitment to a state hospital.

A LEO who takes a person 18 years of age or older into custody under the Care and Treatment Act for Mentally Ill Persons or the Care and Treatment Act for Persons with an Alcohol or Substance Abuse Problem may transport the person to a center if the LEO is in a crisis intervention center service area. Upon the written application of a law enforcement officer on a form designated by KDADS, the center cannot refuse to accept any person brought by a LEO for emergency observation and treatment if the LEO's jurisdiction is in the center's service area, unless the person is in need of medical treatment the center is not capable of providing. If the LEO is not in a crisis intervention center service area or chooses not to transport the person to a center, the LEO must follow the existing procedures under the Care and Treatment Act for Persons with an Alcohol or Substance Abuse Problem or the Care and Treatment Act for Mentally Ill Persons. The original law enforcement application is kept in the regular course of business with the law enforcement agency and a copy would be provided to the crisis center and to the patient.

Provisions are included to assure due process and periodic assessment by the crisis center who must release the person if they stabilize to a condition where they are no longer deemed a risk to themselves or others.

Supporting funding was in HB2313 which was vetoed by the Governor.

Final Bill [HB2092](#)

Final Brief [CCR Brief](#)

Final Summary [Summary](#)

For life sentences, the provisions of the mandatory minimum sentence statutes do not apply if, based on the defendant's criminal history classification, the defendant would be subject to presumptive imprisonment and the sentencing range for a severity level 1 crime is greater than the mandatory minimum sentence. When those conditions apply, the defendant must serve a mandatory minimum sentence equal to the sentence established for a severity level 1 crime. Also, under those conditions, the defendant is not eligible for parole prior to serving such mandatory minimum sentence and the mandatory minimum sentence cannot be reduced with good time credits.

Final Brief [CCR Brief](#)

The current law providing the right to a hearing regarding an illegal sentence is amended to dismiss such action if the motion, files, and records of the case conclusively show that the defendant is not entitled to relief. The definition of "illegal sentence" is amended to clarify it does not apply to a change in law made after the sentence is imposed. An "illegal sentence" is a sentence imposed by a court without jurisdiction; that does not conform to the applicable statutory provision, either in character or punishment; or that is ambiguous with respect to the time and manner in which it is to be served at the time it is pronounced. This change amends the law to comply with case law.
